Here are some questions and thoughts to guide your study this week. Use this guide and scripture to study this week, share with others what you are learning and hear from them as well.

In the sermon, Ken shared, “There is no peace without grace.” Where have you seen or experienced peace because of grace this week?

Christ-followers are invited to work alongside God as God accomplishes His will. Where you seek God working in your home? your church? the world? Where might you join in?

---

---

If you could have a “dream” job working alongside God, what would it be? Describe it here...

---

---

What thing could you change (either the way you do it or what you are doing) so the praise goes to God and not yourself?

---

---

What changes do you see necessary in your life in order to allow Grace to act, be alive and transform you in order to bring glory to God? What one thing will you do this week?
